WHAT IS EDUCATIONAL DAY?

Learning stations are set up in various locations on the fairgrounds for educational day.
Students are required to come in at the main gate to receive station card passes and a map of stations.
Students along with a guardian can travel to each station in any order they choose.
Each student must have 75% of the stations initial their card after each presentation to qualify for drawing.

Station cards must be left in a drawing box at the front of the cattle barn when finished.
